

# Our **PIER** Strategy Against Violence

## **P**REVENTION *whole community*

Includes pre-natal and infant care, literacy, after school activities, dropout and truancy prevention, jobs programs.

## **I**NTERVENTION *where needed*

Helps youth at risk through schools, community-based organizations, faith community, & others.

## **E**NFORCEMENT *violent offenders*

Data-driven and community-oriented, targets the most violent people.

## **R**E-ENTRY *released offenders*

Helps offenders succeed after prison so they don't re-offend.

### **DOES IT WORK?**

*Ask San Jose, which went from one of the most violent large cities in the U.S. to one of the safest.*

**Also working in Los Angeles, Richmond, and elsewhere.**
